Garden and Landscaping Resources

Community Gardens

NeighborSpace supports community gardens by connecting them with free and reduced-price resources and helping them with general troubleshooting. Some of these resources include a tool lending library, free woodchip delivery, and tree services. The organization can also assist new gardens with property ownership and insurance processes, as well as project planning and fundraising.

Located at 445 N. Sacramento Blvd, Suite 204 Chicago, IL 60612

For more information call (773) 826-3240 or visit www.neighbor-space.org

The Chicago Community Garden Association has a Resources working group that works with community gardens and sponsors several plant distributions throughout the year. For more information about these distributions, including dates and locations, visit www.chicagocommunitygardens.org.

Tree Assistance

The Chicago Department of Streets and Sanitation has a Bureau of Forestry that works in cooperation with the US Forest Service and the Great Lakes Restoration Initiative. You can fill out a request form on their website to receive help with tree removal, planting, and trimming in your neighborhood and securing permits for any work involving trees.
