Is it your time
to become a
homeowner?

AFFORDABLE HOMEOWNERSHIP PROGRAM

Consider purchasing a home with Habitat Chicago, where you will be supported from start (loan application) to finish (closing). Once qualified, you will prepare for homeownership through a series of classes and guidance meetings as well as by helping to build your home alongside volunteers, construction professionals and future neighbors. At the end of the program, you will purchase and move into a new, energy-efficient home with an affordable mortgage in West Pullman or Greater Grand Crossing.

We are a compassionate, nonprofit lender focused on low- and moderate-income households. Visit our website to review our qualification criteria.
