

build the block party

Become a Build the Block Party event sponsor and directly invest in the mission of Habitat for Humanity Chicago.

We believe in a world where everyone has a decent place to live. Habitat Chicago champions healthy neighborhoods by investing in what neighborhood residents want, building quality homes, and supporting equitable homeownership.

WHY SPONSOR HABITAT CHICAGO'S BUILD THE BLOCK PARTY?

Unlike an average cocktail benefit, our Build the Block Party will celebrate Habitat Chicago's programming and provide a "tour" of some of the many assets of our focus neighborhoods:

- **Savor culinary delights** from West Pullman and Greater Grand Crossing restaurants.
- **Enjoy live jazz** from South Side musicians.
- **Explore fun, hands-on experiences** to learn about the impact of our programs.
- **Relax in and bid on high-quality, curated furniture** from our very own ReStore.
